PLACES OF ATTRACTION IN THE UPPER SÛRE NATURE PARK

THEMED WALKS

“NATUR PUR?” DISCOVERY WALK

1 The themed walk “Natur Pur?” shows how the use of natural resources (water, wood, shale) has had an effect on both landscape and nature in the Upper Sûre area over the last few centuries. The aspect of nature conservation through extensive use is also exemplified. An accompanying brochure is available at the Nature Park Centre, at the starting point and in the surrounding municipalities.

Distance > 1,7 and 7 km

Departure > “Pont Misère”, between Boulaide and Arsdorf

IN SEARCH OF WATER AND NATURE

2 The four themed walks vary in both distance and themes. Various symbols guide you either along the Nymph (4.5 km), cep mushroom (7 km), Mandrake (8 km) or Court jester (5.5 km) walks. The marked posts indicate corresponding explanations in the brochure.

The Brochure can be obtained at the points of departure in Eschdorf and Kaundorf and at the Nature Park Centre for €1.

WISS, BAACH A BËSCH

3 The discovery walk “Meadow, brook and forest” in Baschleiden illustrates the development of the landscape in the Ösling region. An accompanying brochure is available on site and at the Nature Park Centre.

Distance > 5,5 km

Departure > Baschleiden

THE LEGENDS CIRCUIT

4 In the Upper Sûre Nature Park and the Belgian nature park “Haute-Sûre Forêt d’Anlier”, visitors can discover 19 settings of various legends (7 in Luxembourg, 12 in Belgium), where they can learn about the local legends, but also marvel at the beauty of the landscape and enjoy tourist attractions, cultural heritage, sculptures with explanatory boards, accompanying brochures, audio CDs and leaflets, which accompany them on their journey.

Available at both information centres in Esch-sur-Sûre and in Martelange.

SCULPTURE TRAIL IN LULTZHAUSEN

5 In the summer of 1999, 6 international sculptors worked on site and sculpted their stones to fit the landscape around the lake. Marked by posts with the letter S. Guided tours available on request. A brochure about the sculptures is available for free at the Nature Park Centre in Esch-sur-Sûre. Can be combined with a walk across the floating footbridge in Lultzhausen, which crosses the lake, leading to Kaundorf or Liefrange.

Distance > 4 km

Departure > car park along the N27 above the village of Lultzhausen

Contact > T +352 89 93 31-1

VISITOR CENTRE AND WILTZ CASTLE

17 Wiltz castle was built in the 13th century. It has been a Renaissance castle since the 17th century. The impressive building serves as the backdrop of the Wiltz Festival every summer. Apart from the visitor centre, the following museums can be visited inside the castle:

Museum of the Battle of the Bulge 1944-1945

The museum is dedicated to the horrific events of the Battle of the Bulge between the 16 December 1944 and the 21 January 1945, the day of the definitive liberation of the town of Wiltz.

National Brewery Museum and Tannery Museum

The Brewery Museum in the old stables of the castle allows the visitor to discover the art of brewing alongside a craftsmanship and industrial culture, which are rich in tradition. The Tannery Museum illustrates the history of Wiltz's former tanneries.
